A hand-drawn sketch of a laptop screen on a light blue background. The screen is filled with various elements: a large orange cloud shape in the center containing two paragraphs of text; a list of items on the left side of the screen; a URL 'www.voicethread.com' at the bottom; and faint background text including 'BAG', 'C A R E S', 'O U N D', 'E V A R', 'S H A R E', 'STANDING', and 'NEW MEDIA!'. The laptop's keyboard is sketched at the bottom of the screen.

**We discussed key ideas for using New Media  
to underpin teaching and learning**

**Technology is constantly evolving  
so foundation ideas should match our  
precepts of good practice**
